AFFIDAVIT of PROBABLE CAUSE

YCC dispatched Office Adam Jordan and other officers to 2040 Lycan drive for a domestic dispute involving a knife. YCC stated that it was hard to gather information because the caller was not cooperative and there was a lot of yelling in the background. Ofc Emig arrived first and approached both subjects involved who were now on the front porch of the residence. Ofc Emig held the subjects there until Officer Jordan arrived a few seconds later. It was apparent that injuries had occurred throughout this domestic dispute because both parties were bleeding and had blood all over their clothes. The female half was screaming that the male half stabbed her. The male half, later identified as Gregory Stambaugh, was taken into custody. Stambaugh was visibly intoxicated and very argumentative. Stambaugh was placed in the rear of my patrol vehicle. Ofc Emig stood by with the female subject, later identified as Karen Harrelson.

Officer Jordan then asked Stambaugh about his injuries. Stambaugh was very uncooperative and continued to yell at him about how the police don't give a fuck about the girls and that we only arrest the guys. After some what calming down a bit, Stambaugh stated that he had a stab wound on his left forearm. Stambaugh continued to state that he and Harrelson were watching American Idol and got into an argument over who was going to win. Stambaugh stated that Harrelson went upstairs and got a kitchen knife and came back down stairs where he was. He continued to state that she came at him with the knife and punctured his left forearm so he tried to wrestle the knife away from her. Stambaugh stated that he could not remember what exactly happened after that. Stambaugh could not remember how Harrelson got stabbed. Stambaugh admitted to drinking a lot of beer tonight. He appeared extremely intoxicated.

Ofc Emig then inquired about Harrelson's injuries. Harrelson stated that she and Stambaugh were downstairs watching American Idol and got into an argument over who was going to win American Idol. Harrelson continued to state that the argument got very heated and Stambaugh then left the room and got a knife. Harrelson stated that Stambaugh came at her with the knife and cut open her right wrist. Harrelson also suffered lacerations to her left pointer and middle fingers. She continued to state that she was able to wrestle the knife away from him and then stabbed him in the arm in self defense. Harrelson stated that this is when 911 was called and PD arrived shortly after.

Both subjects were taken to York Hospital for treatment for their stab wounds. While at the hospital each subject was verbally given their Miranda Warnings and did elect to give a statement in regards to this incident. Each respective statement outlined the above stated facts that each party told PD while on scene.

This detective did interview both Greg Stambaugh and Karen Harrelson after they were treated at York Hospital following this assault. They were both interviewed separately and were advised that they were both under investigation for simple assault and aggravated assault. They were Mirandized and both waived their warnings and agreed to make statements and answer questions as to what their version of the events were which led to this

assault and what happened during the assault.

Karen was interviewed first. She had a laceration on top of her wrist which required treatment. She also had cuts on her fingers. Karen was photographed along with her injuries. Karen indicated that she considers Greg Stambaugh to be her fiancée and that for the most part, she is living with him at his house on Lycan Drive. She stated the two of them were drinking beer this evening and watching American Idol. Karen went on to state that there were two singers left in the competition for American Idol and an argument ensued between the two of them as to what singer was going to win. Karen stated the initial argument started in the basement between the two of them. At some point she stated she went up to the kitchen and got a knife in order to cut her self a piece of cake. She stated that Greg followed her upstairs and came at her with a black handled knife and cut her with this knife on top of her wrist. She stated that he also hit her in the head with an open hand and threw her down and was on top of her. Karen stated that she responded by stabbing Greg in the arm with the knife that she had. She described the knife that she had as a kitchen knife with a black handle and being the same type of knife that Greg had. She stated that this took place in the kitchen. Karen stated that she was bleeding a lot. Karen stated that she called 911. Karen did not feel as though she was intoxicated. She did state that she drank four beers (gold canned beer that was in the refrigerator) and that Greg had been drinking beer and rum.

Greg was interviewed next. He had what appeared to be a puncture wound in his forearm. He indicated that the argument started in the basement between him and Karen. He stated the two of them were watching American Idol and there was argument between the two of them as to which singer was going to win the competition. At some point, he stated that Karen went upstairs and returned to the basement with a knife and stabbed him in the forearm. He stated that she then went up the basement steps and went into the upstairs kitchen and that he followed her. Greg stated that he attempted to get the knife from her that she was holding in her hand up in the kitchen. He stated that he struggled with her in an attempt to get the knife away from her and at some point he got the knife away from her. Greg stated at no time did he strike her or throw her to the floor. Moreover, he stated at no time did he get his own knife out and stab her. When asked how she sustained cuts to her arms and fingers, Greg stated that it had to be from him trying to take the knife away from her. Greg stated that he was simply trying to defend himself. When asked if there was drinking involved, he stated that there was. He stated Karen started drinking at 5 A.M. in the morning and was drinking beer and a lot of tequila through out the day. Greg stated that he didn't start drinking till after 12 noon and that he was drinking beer and had a pint of Scotch. Greg indicated that they both were intoxicated and that they were arguing over something stupid which led to the fight.

It should be noted that this detective did obtain a night time search warrant from Magistrate Thomas in order to search the premises of 2040 Lycan drive and secure and document any applicable evidence. Officer David Keller and Officer Keith Roehm were assigned to that crime scene. Officer Keller who processed the scene stated that he found a small black handled steak knife in the basement. He stated that there was blood on a blue chair both on the left arm and right arm of the chair. Moreover, he stated that there was blood in the kitchen and what appeared to be some type of altercation in the kitchen as a sock and a hat were found on the floor. A large serrated knife was found in the kitchen area with what appeared to be blood on it according to Officer Keller.

Based upon the above facts, this affiant is requesting warrants for both Gregory Stambaugh and Karen Harrelson charging them each with one count of aggravated assault causing bodily injury with a deadly weapon (knife) and two counts each of simple assault (one in which bodily injury was inflicted on one another and the other count being a fight entered into by mutual agreement).
